

Word Wheel

The answer to the puzzle in the box below is hidden and scrambled in the wheel. To reveal the scrambled letters, fill in the two statements next to the wheel. Then, take these answers and cross out their letters only as often as they appear in the answers. The letters that are left in the wheel will spell the word missing in the boxed statement, but they are scrambled. You need to unscramble them; when you have, fill them in on the dotted lines at the bottom of the page.
