## Use your Chart to track your Gifts for Jesus

Getting ready for Christmas! It's an old Advent tradition to pick a special sacrifice to offer up in preparation for the coming of Baby Jesus. In this way, you are collecting spiritual gifts for Jesus that you can give Him on His birthday! Use this chart to keep track of how many times each day you offer your Advent sacrifice & other good works. Then, on Christmas Eve, add up everything and write the grand total by the star. With a generous Advent, you will have prepared a warm and loving welcome for the Holy Family and will be ready to join Them for a joyful Christmas!
